OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining about inadequate medical care. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's motion for leave to proceed in forma pauperis be denied and the case be dismissed. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 25th day of September, 2018.
